Anne Arundel County 's

Citizen Preservation Stewardship Program

Many historic cemeteries are unrecorded and awaiting rediscovery.

Many are endangered from neglect, climate change, and development.

www.aacounty.org/cemeteries

We need your help documenting endangered historic cemeteries!

Program members will:

- Receive early registration for a series of free 2020 preservation training workshops.
- Be mentored by local professional archaeologists and genealogists.
- Learn how to identify and document historic cemeteries.
- Research important local history.
- Be an important part of preserving history!
